Hi! Are you new here?

Welcome to Worship

Thank you for choosing to worship with us today! As our guest, please take a moment to fill out a Connection Card, which is in the seat back in front of you. After the service, place that card in the Giving and Prayer Box by one of the Worship Center doors, or bring it to The Commons so that I can meet you! We look forward to getting to know you in the coming days, and we pray that you would be encouraged today as we draw near to God together. Join us in our journey to glorify God, make disciples, and spread the good news of Christ!

Blessings,
Pastor Josh Allen

Sermon Series

Today, Pastor Josh launches a new series in Genesis—going back to the very beginning—Understanding God as Creator—and ourselves as His creation—matters more than ever. It shapes how we see the world, how we relate to one another, and how we ultimately turn our hearts toward Him. From the very first words of Scripture, God has given us everything we need—the foundation, the building blocks for life through His Word. So, let's lean in and explore together why *The Beginning Matters*.
